## Vocabulary

### Verbs in –μι

---

The –μι verbs differ from the –ω verbs only in the Present, Imperfect, and Second Aorist Active and Middle, sometimes in the Second Perfect.

By the time of the New Testament, –νυμι or –νυμι verbs were changing to –ω forms.

---

|              |                      |             |                     |
